CORRYONG, VICTORIA

Man from Snowy River Bush Festival
Man from Snowy River Bush Festival
Corryong, Victoria

The Man from Snowy River Bush Festival is held at Corryong, Victoria in the foothills of the Snowy Mountains halfway between Melbourne and Sydney. It is a unique annual bush gathering of mountain riders, poets, artists and lovers of the Australian High Country and pioneering spirit. Held every April, the Festival brings together people from around Australia to celebrate traditional high country and bush culture and in particular, the imagery created by AB Banjo Paterson's and Australia's most famous poem "The Man from Snowy River". If you have never before been to this event...YOU MUST. The Man from Snowy River Bush Festival recreates the fun and excitement of a bush gathering where both new and old friends come together to have a yarn, a beer, to enjoy traditional bush tucker and kick up their heels. 'SolarCo Challenge' - The Man from Snowy River Challenge is the showcase event to find the modern Man from Snowy River. Australia's most skilled horsemen compete in nine gruelling events over three days of competition designed to test the skill, endurance and relationship of both horse and rider. Plenty of parking, can be cool in the evenings, refreshments available, horse events outdoors at the Recreational Reserve.

2 to 5 April 8am - 10pm
