In your Will

By making a provision for the National Trust in your Will you will be providing a lasting gift for future generations. Every sum, no matter how small, is welcomed and not a single cent of any legacy gift is spent on the administration of the Trust. Choose, too, where you want your money to be spent – it can go to a place or property that has special significance for you.

For information and for ways of supporting the work of the National Trust, please visit www.nsw.nationaltrust.org.au or phone (02) 9258 0124 to talk to our Philanthropy Manager, John Watt.

The *National Trust Magazine* is published by The National Trust of Australia (NSW), National Trust Centre, Observatory Hill Sydney with support from the Commonwealth Department of the Environment and Heritage, and the Heritage Incentives Program administered by the NSW Department of Planning Heritage Office.

The National Trust Centre has been repaired and repainted by the NSW Department of Commerce, with support from Porters Paints who supplied the paint, and architects FJMT who designed the scheme. Also restored was the building's Coat of Arms, now resplendent in its correct colours (see article inside).
